## Description and features

LINESTRA® incandescent batten luminaires are ideal if soft glare-free light is needed.

### LINESTRA® Set

- Flattering friendly glare-free light from a tube
- Thanks to the opal coating the light is soft and particularly good for rendering skin tones
- Ideal as mirror lighting in the bathroom or for installation in cupboards
- with switch

### LINESTRA® ALU

- High-quality aluminium section
- Suitable for LINESTRA® lamps with S14s bases
