

## LEDDriving SL P21/5W

Ideal replacement for any vehicle

**Different light colors for various applications**

Available in Cool White, Amber and Red

**High brightness**

High light intensity thanks to powerful LEDs and solid thermal management

**Matches P21/5W lamps**

Upgrade to LED with simple plug & play replacement

### Suitable LED replacement for P21/5W

These LEDDriving STANDARD retrofit lamps were specially developed for a suitable replacement of conventional P21/5W lamp types. Thanks to homogenous LED light distribution a non-selective illumination is possible. The lamps are available in Cool White, Amber and Red light colors. OSRAM provides a 4 year. These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.
