

TYREinflate 20 ESSENTIAL

Rubber foot pad

For improved grip when inflating

Easy to read pressure gauge

Accurately reads in PSI and BAR

Adapters included

Adaptors included for sports equipment and leisure inflatables

The essential foot pump for all your inflation needs

The OSRAM TYREinflate 20 ESSENTIAL foot pump is designed for fast and effortless inflation, providing greater air output with each pump. Perfect for inflating car, motorcycle, and bicycle tyres, sports equipment, and other inflatables, this pump ensures you can get the job done quickly. Its sturdy steel construction and non-slip foot pedal offer stability and comfort during use, while the dual-barrel design enhances efficiency.

Equipped with a clear, easy-to-read pressure gauge, you can monitor air pressure with precision, ensuring optimal inflation. The reinforced hose and universal valve adaptors make it compatible with a wide range of inflatables, adding to its versatility. Compact and easy to store, this pump is perfect for both home use and keeping in your vehicle for emergencies. Durable and reliable, the double-barreled foot pump is the ultimate tool for fast, efficient inflation whenever you need it.
