OSRAM

LEDinspect SLIM MAX1000

Inspectionlights

Dimmer Switch
Individually adjustable
brightness levels with up to
1000 lm

1000 Lumen
Bright, white LED light and
uniform light distribution

Multi-Angle Light Output
High flexibility due to
individual adjustment of the
light beam

2-year-OSRAM guarantee*

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

Product family datasheet

Light is versatile

This high-quality inspection light is perfect for professional and private use. With an integrated dimmer, you can select the appropriate brightness level with up to 1000lm for the task at hand with the SLIM MAX 1000. The ultra slim design combined with multi-angle positioning gives maximum flexibility and adjustability to give light exactly where needed. The SLIM MAX 1000 is rechargeable and cordless with Li-ion battery and can therefore provide constant light output. The lamp has an operating time of up to 1.5h with high light output or up to 10,5h with low light output. Charging cable and mains adaptor are included in the scope of supply. In accordance with the IP protection class IP65, this inspection light has protection against the ingress of dust and water and is tested for impact resistance in accordance with IK06. This inspection light has an integrated hook and magnets for hands-free work, making it ideal as a light for manual tasks, car repairs and for everyday use. In addition, OSRAM grants a 2-year quarantee on this product*
