

Heavy Duty Mounting Kit PX

Heavy Duty mounting Kit
Particularly strong and
resistant bracket for the
installation of the LEDriving
working lights Professional
Series PX

Easy Installation
The bracket can be fixed to
the vehicle with two screws

Matrix Portfolio
Suitable for all PX working
lights. Therefore, a vehicle-
specific lighting set-up can
be put together individually.
Mix & match. Vary and
combine

5-year OSRAM guarantee
OSRAM products are
innovative and technologically
high-quality products that are
carefully tested and subject to
the strict monitoring
undertaken by the OSRAM
quality assurance system

Professional light for professional work

With the OSRAM LEDriving Professional Series PX working lights portfolio, it is now possible to find exactly the right lighting for a wide range of special professional tasks and applications. Additionally, they can be mounted in three different ways: Direct mounting, flexible standard mounting, and heavy-duty mounting. OSRAM has developed specially designed mounting kits and a cable with DT-connector. The LEDriving Heavy Duty Mounting Kit PX is compatible with all OSRAM LEDriving working lights of the Professional Series PX. It can be mounted to the vehicle with only two screws, it is quick and easy to mount, and this also allows a faster and easier installation of the LEDriving working lights Professional Series (PX). All components of the mounting kit are made of stainless steel, it has a vibration resistance of at least 12g rms and is therefore specially designed for use on heavy-duty vehicles and is particularly robust and resistant. In addition, the bracket can be adjusted to a tilt angle of up to +/- 30 degrees to direct the light of the working lights where it is needed. OSRAM provides a 5-year guarantee on these products¹⁾²⁾

1) Additional working lights without ECE approval for use as work lights are approved for use on any vehicle according to German Road Traffic Licensing Regulations (StVZO) §52 (7). However, they must not be used and switched on while driving. In addition, individual special regulations, and laws of countries outside Germany must be observed.

2) For precise conditions refer to: www.osram.com/am-guarantee
